

Robinson Preserve Projects

Last Updated: February 2024

Overview

Robinson Preserve - Boardwalk Repair & Replacement - \$925,000

(Project # 5400018)

Robinson Preserve - Repair or replace all wood and hardware components of bridges, boardwalks, overlooks, piers, and observation tower at Robinson preserve as well as replenishing aggregate materials on trails approaching these assets to address erosion as needed/identified in annual inspections .

Robinson Preserve Expansion Restoration - \$4,845,607

(Project # 6085208) **Closed**

Restoration of the expanded property to include excavation, exotic plant removal, soil placement, grading & compaction, land clearing, planting, etc.

Robinson Preserve Improvements - Pavilions - \$650,000

(Project # 6085216)

Design, permit and build three screened picnic pavilions.

Robinson Preserve Coastal Habitat Restoration - \$1,548,211

(Project # 6085219)

Restoration of approximately 118.2 acres of disturbed coastal habitat by creating hydrologic connections.

Robinson Preserve Coastal Upland Habitat Restoration - \$271,430

(Project # 6085220)

Ecological function of the approximate 14.8-acre portion of the 150-acre site will be achieved by implementing a four-year system that consists of pre-planting adaptive management, intensive re-planting with habitat specific plants and post planting habitat establishment period adaptive management (HEPAM).
