

Overview

Fort Hamer Rd Extension - \$20,984,478

(Project # 6054765)

Construct new four lane divided roadway with closed drainage, sidewalks on both sides, and bicycle lanes. Continuation of north/south thoroughfare connection to provide anticipated capacity needs associated with new growth and improve traffic circulation in Parrish area.

Fort Hamer Roundabout Lane - \$344,577

(Project #6054766)

Design and construct a dedicated slip lane for Parrish High School entrance at the roundabout on Fort Hamer Road with associated pedestrian improvements.

Fort Hamer Rd - UMRR / Rive Isle PD & E- \$6,101,973

(Project # 6054767)

A study to expand Ft Hamer Rd from two-lanes to four-lanes. The limits are from Upper Manatee River Rd to Rive Isle Run. Including, evaluating widening options and evaluating impacts to adjacent properties, incorporating previous, complete studies for expansion of the Ft Hamer Bridge, and additional studies needed to apply for federal grant funding.

Fort Hamer Rd Rive Isle / US301 PD & E- \$1,805,920

(Project # 6054768)

A Project Development & Corridor Study to expand Ft Hamer Rd from two-lanes to four-lanes. The limits are from Rive Isle Run to US 301. This will include, evaluating left, center, right, and meandering widening options for alignment, evaluating impacts to adjacent properties, and additional studies needed to apply for federal grant funding.

Hidden Harbor (Fort Hamer East of New Bridge) - \$2,800,000

(Project # 6067406)

Development/construction to include restoration of drainage ditches; landscaping and irrigation; utilities; entry and circulation road; maintenance access shell drive; entrance sign; parking lot (+/- 50 spaces); up to 3 pavilions which should include picnic tables, electrical service and lightning protection; restrooms; fishing/nature observation pier with boardwalk; interpretive signs; site amenities; sidewalks connecting recreational amenities; multi-use nature trail (+/- 2.8 miles) with trail benches and shelters with lightning protection, bike racks, and trash receptacles; exotic plant removal and site work and stormwater ponds; ADA-compliant playground with safety surfacing; shade canopy; up to 3 sand volleyball courts; skate park and pump track; south road extension with approx. 5-space shell parking with a kayak launch facility at Ft Hamer Bridge/Manatee River; FF&E; open play field area for future development to include a performance pavilion with festival infrastructure and shaded shelter.
